Dear Hiring Manager,

I am excited to apply for the UX/UI Designer position at Mackenzie Investments. With proven UX/UI design experience and a strong background in creating user-centered solutions, I am eager to contribute my expertise to your team.

Throughout my career, I've excelled in understanding business requirements and translating them into impactful user experiences. I have a proven track record of collaborating effectively with cross-functional teams, contributing to design systems, and maintaining components within Figma. My proficiency in Figma, Adobe XD, Adobe Creative Suite, and my expertise in responsive design and accessibility principles make me well-equipped to contribute from concept to execution.

Your company's reputation for innovation and commitment to user-centric design align perfectly with my passion and skillset. I am excited about the opportunity to work in a collaborative environment that values design excellence and drives innovation.

Please find my resume attached for your consideration. I welcome the opportunity to discuss how my experience aligns with your team's needs.

Thank you for your time and consideration.

Sincerely,

Dat Tran
